To Our Finishers

You came, you saw, you conquered! Congratulations to all finishers in the 2016 Big Sur International Marathon and related events!

One of the biggest challenges of our race is entering before it sells out. We had record attendance with all events hitting their entry limit. We know there are more marathons than ever in the U.S. and we are pleased and humbled you chose ours.

Our largest single event during race weekend was, for the first time, the By the Bay 3K in Pacific Grove the day before the marathon. This fun run attracted a record field of more than 5,300 entrants, many of them school-age children pinning on a race number for the first time. Now one of the largest youth races in the country, this is a goal event for many area schools in our award-winning Just Run youth fitness program.

The Big Sur International Marathon and other race distances have always been known for beautiful scenery and challenging hills along the dramatic central California coastline. Headwinds are not unusual. This year, some long-time participants called it one of the windiest races in our 31-year history. Great job to all for meeting these challenges, some even running personal bests!

Thanks to the more than 2,000 finishers who returned our comprehensive post-race survey. Your comments and suggestions are very helpful with our planning; we make scores of changes each year based on participant feedback. We respect how much time, effort, and commitment each of you put into registering, training, traveling, and participating in our event. We try to provide the best event we can—although we can't do much about the hills and the wind!

Those who finished the Marathon, 21-Miler, 10.6-Miler or 9-Miler are now eligible for our Waves to Wine Challenge. This is a new series that provides a unique medallion and eligibility for other prizes for those who finish three of our four annual races. To continue in the challenge, enter both the Salinas Valley Half Marathon on August 6th and the Half Marathon on Monterey Bay on November 13th. For more details and to register for these events, please visit www.bsim.org.

The Big Sur International Marathon is a non-profit organization with a mission to produce beautiful, world-class events that benefit our community. On behalf of our 100-plus strong volunteer race board committee, our 2,000-plus individual volunteers from more than 70 community groups, our sponsors, and our host communities, thank you for your participation.

OUR GREENING EFFORTS

The Big Sur International Marathon continues to work hard to reduce our environmental impact. Attention was given to the types of products purchased for the event and showcased through the Expo vendors. No trash cans were placed on the course or at the finish; everything was diverted through recycling, composting or upcycling. 1,243 pounds of clothing and shoes were donated as well as 4,700 lbs. of leftover food. 8,200 pounds of compostable material was collected and 2,890 pounds of recyclable material. With only 270 pounds of trash going to the landfill, the total diversion rate was 98.4%.

Race Demographics

Our overall registration numbers produced 13,400 registered participants in all events and 200 4-person relay teams. 61% of our entrants (for all events excluding the 3K) are female and 39% male; for the marathon, 49% are male and 51% female. 95% have college or graduate school degrees, 78% have household incomes of $75K or more, and 62% are in professional, managerial or administrative occupations. All 50 states were represented plus 30 other countries. 54% of our participants are from California followed by Texas, New York, Illinois, Washington, Colorado, Florida, Georgia, Oregon and Massachusetts. 516 participants live outside the U.S.

For the marathon, 33% were in the 30-39 age group, followed by 29% in 40-49, 19% in 50 - 59, 13% in 20-29 and 6% in 60-69. We had 14 entrants age 16 - 19 and 38 that were over age 70.

When asked how they learned about our race, 73% of entrants answered: from a friend or family member or because they were past participants; 11% saw our ads in a magazine or on the internet; 7% via a website; and 11% at an expo at another race, through social media or "other."

For 80%, this was their first ever Big Sur Marathon and 14% ran their first-ever marathon; 20% have run from 1 to 30 prior Big Surs and 12 individuals have run all 31 Big Sur Marathons. Approximately 7% ran for a charity that chose Big Sur as their goal race.

Some of your comments on our events:

"**B**ucket-list marathon
Inspiring vistas
Grazing cows & grizzled vets
Seaside cliffs
Un-ending hills
Robust winds

Loved, loved, loved Big Sur!"

"BIG SUR 2016 was the BEST!! Loved every minute of the race, the ocean, the mountains, the redwoods, the blue/cloudy skies, the drums (my favorite), Michael Martinez, Bixby Bridge, running with friends and family, traveling with family and friends, experiencing a once in a lifetime event! So excited to say I ran Big Sur with my twin sister."

"BSIM is the hardest marathon I've run and it left me with an amazing sense of accomplishment (and I've run the Marine Corps Marathon three times so that's saying something in my opinion). Thank you to the BSIM Organization for helping to make our trip truly memorable. We look forward to coming back next year. Until then, I have a feeling all of our running scenery will pale in comparison!"

"I have read and heard that this is a must-do marathon. It was fun unforgettable, unforgiving, challenging and soul-opening experience. It was very tough - the cold stiff headwind along much of the course was a character-builder to say the least, as was the 2-mile climb near the half-way point - but I would love to do the race again and will continue to enter the drawing."

3K Schools' Competition

On Saturday, April 23, over 5,000 Monterey County school children, along with friends and families, toed the start line in Pacific Grove for the By the Bay 3K. The 3K fun run is one of several goal races of the JUST RUN® youth fitness program, designed to combat childhood obesity and promote healthy lifestyle choices. Forty-four Monterey County schools took part in the annual event. The 3K Schools' Competition is sponsored by the Big Sur International Marathon and this year $13,850 was awarded to 20 schools.

The JUST RUN program, now in its 12th year, is a free, website-based program open to schools and youth organizations in any country, state or locale. Offering incentives, numerous benefits, and a wealth of information, JUST RUN is an easy to implement, turnkey, and fun program.

In the 2015 - 2016 school year, over 15,000 children, ages 5-12, ran a cumulative half a million miles and performed a record 36,738 Just Deeds.

Final Notes...and Moments to Remember

Race organizers would like to thank all runners and walkers for choosing one of our 2016 events. Our greatest reward is watching you cross the finish line with a smile on your face. In addition to the medallion you took home after the race, we hope you also came away with wonderful memories to last a lifetime. We hope you'll join us again on April 30, 2017.
