2012 Official Race Results

Our Thanks...

We were very pleased in 2012 that the point-to-point course from Big Sur to Carmel was back in place and that marathoners, some relay runners, and 21-Milers were able to experience both Hurricane Point and Bixby Bridge, the centerpieces of the 26.2 mile course. Mother Nature didn't let us off the hook entirely, as ferocious headwinds packed a solid punch between miles six and twenty.

The Big Sur Marathon presents a serious challenge to runners, not just because of its unrelenting hills, but because of weather conditions that can produce wind, fog, and cold temperatures at the drop of a hat. 2012 provided all of the above, and all finishers should be proud that you not only survived the hills, but the chilly 30 mph wind as well. Hopefully the magnificent scenery, course entertainment and humorous mile markers along the way provided some distraction and relief.

Congratulations to our 2012 winners, Adam Roach of Pacific Grove, CA (2:32:23) and Nuta Alaru of Longmont, CO (2:50:06). Also deserving of recognition are our two Boston 2 Big Sur Challenge winners, Ronny Kristoffersen of Monterey, CA and Carolyn Thompson of New Orleans, LA. Kristoffersen had a combined Boston/Big Sur time of 5:33:02 and Thompson had a 6:34:07.

2012 was the second year that the Runner's World Challenge partnered with the Big Sur Marathon. This complete running package provides both coaching and support from Bart Yasso and the editors of Runner's World along with VIP treatment race weekend. We are very pleased to announce that the Runner's World Challenge will be returning in 2013. Stay tuned for details at www.bsim.org.

We offer a heartfelt thanks to all of you for choosing our marathon and hope that we not only met your expectations but exceeded them. We hope you'll join us again on April 28, 2013 for our Twenty-Eighth Presentation. Registration opens on July 15 at 7:00 AM Pacific time.

Our post-race Exit Poll is the primary tool that measures our level of success in any given year. Your ratings of the various event components tell us where we excelled and where we could have done better. We deviated from our usual Exit Poll this year and focused instead on an Economic Impact survey. We will be presenting our findings to the major cities impacted on the Monterey Peninsula later this year.

Our overall demographics produced 11,833 registered participants in all events and 264 relay teams, with 6,328 individual finishers (excluding the 3K) and 257 teams. 59% of our entrants for all events were female and 41% male; for the marathon, 51% were male and 49% female. 94% have college or graduate school degrees, 73% had household incomes of \$75K or more, and 59% were in professional, managerial or administrative occupations. All 50 states were represented plus 33 other countries. 60% of our participants were from California, followed by Texas, Illinois, Florida, New York, Colorado, Washington, Virginia, Oregon and Arizona. Foreign participants numbered 418.

For the marathon, 32% were in the 30-39 age group, followed by 30% in 40-49, 18% in 50 - 59, 15% in 20-29 and 5% in 60-69. We had 10 entrants age 16 - 18, and 26 that were over age 70.

72% of entrants learned about our events through word of mouth or because they were past participants or live locally. 9% saw our ads in a magazine or publication, 10% via our website, and 3% at another race's Expo.

The long downhill leading to the mouth of the Little Sur River

On the Edge of the Western World

78% ran their first ever Big Sur and 17% ran their first ever marathon. 22% have run from 1 to 26 prior Big Surs and 18 have run all 27 Big Sur Marathons. 6% ran for a charity that chose Big Sur as their goal race.

The Big Sur International Marathon continues to lead the sporting industry in sustainability. Attention was given to the types of products purchased for the event and showcased through the Expo vendors. Strategies were developed to repurpose, recycle or compost all of the materials. In all, 140,000 cups were composted, heat sheets and D-tags were recycled, 45 bags of clothing estimated to weigh 1,575 pounds were picked up by local charities and 600 pounds of leftover food went to the local food bank. This diversion lead to a record 95% diversion rate for the 2012 events.

Some of your comments on our events from our Facebook page and emails...

"Please thank all your outstanding and courteous volunteers - from the musicians, the military, the aid station people, the pace setters, the ladies at mile 23 with the magnificent strawberries, the announcers, the bus drivers...truly an outstanding event, driven and nurtured by outstanding people. The organization, care and attention to detail was paralleled by the beauty of this magnificent place on the 'western edge of the world.'"

~ Scott McKie, Manhattan Beach CA, 4:03:24

"Thank you for a wonderful event and allowing me to have the honor of saying I ran my first full marathon at Big Sur!"

~ Shannon Brown, Manteca, CA 5:54:26

"Thank you for a top notch, classy event. Organization/volunteers were amazing. I have run over 40+ marathons domestically and internationally and this was the most organized marathon I have ever participated in."

~ Terrie M. Greene, Beverly Hills, CA, 5:22:48

"My first Big Sur Marathon...it IS a world-class event! Had the greatest time ever from the Expo, clinics, and meeting Dean Karnazes and runners from all over. Thank you, applause and kudos to the Big Sur organizers and sponsors! See you in 2013!"

Presented by ASICS

Congratulations to all 350 finishers of the 3rd annual Boston 2 Big Sur Challenge! Two marathons on two coasts only 13 days apart is an athletic accomplishment of which they can all be very proud, particularly in view of the difficult conditions that existed for both races. The Boston "Massacre," as one runner dubbed it, gave runners a sizzling temperature and PWs for most. Big Sur went the opposite extreme...with cold fog and a ferocious headwind.

Prizes were awarded to the top five male and female finishers based on combined Boston and Big Sur times. Congratulations to local runner Ronnie Kristoffersen, age 38, on his overall win of the Challenge; his Boston time of 2:43:24 and Big Sur time of 2:49:38 produced the winning combined time of 5:33:02. Our female winner was 43 year old Carolyn Thompson of New Orleans, LA,

The Relay

The Open Mixed category dominated the 2012 field with 169 teams finishing, followed by 43 Open Female teams, 23 Corporate, 20 Masters Mixed, 13 Masters Female, 12 Open Male, and 4 Masters Male teams.

Congratulations to the overall fastest team, **Team H & W** (Corporate) with a blistering time of 2:53:39! They were fol-

lowed by **We Be Crazies 6** (Open Mixed) in 3:00:33 and in third place, **The Sunset Girls** (Open Female) in 3:05:45.

The tradition of picking our office favorites from the wonderfully creative team names continued in 2012. Topping the list were *4 Hurs and a Sur, Fast Women and the Men Who Take Their Time, Hairloss and Hotflashes, Longest Beer Run Ever, Slow Motion Along the Ocean,*

The Drinking Team with a Running Problem, and *What Doesn't Kill Us... Hurts Like Hell!*

Thanks for being a great part of our race weekend and we look forward to seeing many of you again in 2013!

3K Schools' Competition

On the Edge
of the Western World

On Saturday, April 28, over 3,000 Monterey County school children and their friends and families toed the line in Pacific Grove for the JUST RUN! Just Kids 3K. The 3K race is a goal race of the JUST RUN® youth fitness program designed to combat childhood obesity and promote healthy lifestyle choices.

Thirty eight local schools took part in the event as a means of raising funds for their schools. The 3K Schools' Competition is sponsored by the Big Sur International Marathon and this year \$10,050 was awarded to 20 schools.

The JUST RUN program, now in its eighth year, is a free, website based program open to schools and youth organizations in any country, state or locale. Offering incentives, numerous benefits, and a wealth of information, JUST RUN is a bilingual, easy to implement, turnkey, and fun program.

In the 2011 - 2012 school year, 8,600 children, ages 5 - 12, in 83 school programs throughout 12 states and one foreign country ran a cumulative 260,000 miles.

To learn more about Big Sur's youth fitness program, visit www.justrun.org.
