# To Our Finishers

To Our Finishers,

You did it! Congratulations to all April event finishers! We hope you had a wonderful experience in the 33rd Annual Big Sur International Marathon or one of our six other race-weekend races. More than 14,000 runners and walkers registered for one of the weekend events including thousands of school children in the Saturday morning By-the-Bay 3K in Pacific Grove. As a non-profit organization, the strong support for our races allows us to provide more than \$300,000 in grants to area health, fitness, and community organizations.

For many of you, participating in our race is an annual rite of spring. For others, you can now check the "Big Sur" box on your bucket list of races to run. Whatever brought you to our race, we thank you for your participation. To find out more about your fellow runners and walkers, we have highlighted some of the participant demographics and race statistics on page 4 along with a few thoughts from and about the post-race survey.

And how about that new Monterey Conference Center, home to our packet pick-up, expo, and clinics? This beautifully-renovated facility is a great host for our event. We enjoyed watching thousands of you snap a picture in front of the center and the large, colorful "Big Sur Marathon" banner.

Our hard-working 100-strong race committee directs the efforts of more than 2,000 volunteers from over 80 community non-profit groups and organizations to put on this weekend of events. In addition, we are fortunate to receive the volunteer support of more than 200 marines from the Defense Language Institute Foreign Language Center at the Presidio of Monterey. Thanks to everyone for their help!

Special thanks this year go to Monterey County Supervisor Mary Adams, the County Resource Management Agency, and the California Department of Transportation for accommodating our race finish on Highway 1 right in the middle of a major road widening project. It's to their credit that most runners didn't even notice the construction on race day.

Many runners have asked about registering for next year's race either for themselves or for family and friends. Full details about 2019 Marathon registration and other distances is on page 6. We anticipate, once again, strong demand and sell-outs for all of our event distances.

Congratulations again and thanks for your support.

# Post-Race Survey Helps Us Improve

Thank you to those who completed the post-race survey. Your rankings, comments, and details about what you did, bought, visited, where you stayed, etc., is very valuable to help us improve and market our event. The survey also provides great insight into the things that went well for you and the things that didn't. Sometimes that is the very same thing! For example, a regular request is for more portable toilets; others mentioned that our race was the first they attended that had plenty of units.

Many people loved the renovated Monterey Conference Center, the clinics, and the spacious bib-pick-up area. Others commented about long lines to buy merchandise, not enough directional signage, and not enough vendors giving away free samples. (Note that as part of our greening effort, we don't supply goodie bags stuffed with fliers, samples or other materials.)

There were many positive comments about the aid station volunteers and entertainment. Others found water stations understaffed and were disappointed that performers were not playing when they ran by. The Taiko Drummers were moved for safety reasons (too many runners crossing the live traffic lane to take selfies) yet there were a few who missed their old location at the bottom of the climb to Hurricane Point.

More than 150 buses are used to transport thousands of runners from 10 different pick-up locations to seven different starting lines (including relay exchange points), all within a few hours using a dark, winding, and narrow highway. Needless to say, sometimes

## Race Demographics

- 14,200 registered in all events and 200 4-person Relay teams
- 52% female/48% male (marathon)
- 60% female/40% male (all events)
- All states represented except South Dakota
- 54% of registrants from CA, followed by TX, NY, IL, CO, FL, WA, MA, VA and NJ. 422 (4%) participants were from outside the US
- For all events, 56% were in the the 30-49 age group, followed by 19% in 50-59, 12% in 20-29, and 9% in 60-69. 161(2%) entrants were 16-19 and 214 (2%) were over age 70
- 77% ran their first ever Big Sur Marathon and 14% their first marathon.
- 18% have run from 1 to 3 prior Big Surs, and 10 have run all 33 Big Sur Marathons
- 7% ran for an official Big Sur charity

there were crowding and delays in bus loading, confusion about where to park, and requests for more signage. Our transportation team is already meeting to help improve this important area.

The marathon start village can get quite crowded (hence the need for limiting race entries) and we are looking at ways to improve how we gather gear bags and get runners onto Highway 1 for the start of the race.

Runners also commented that the course was hillier than they expected based on the course profile and the road camber on sections of Highway 1 was tough to handle with tired legs. Many runners welcomed the brief rain shower, though, saying it helped keep them cool.

We welcome your comments and suggestions throughout the year on how we can improve our event. Please drop me a note or give me a call at [doug@bsim.org](mailto:doug@bsim.org), (831) 625-6226.

## Some Participant Comments

*"You have found the perfect balance between efficient organization and friendliness. I felt welcome, informed, safe and secure from the minute I entered the Expo until the minute I exited the finish area. THANK YOU so much to organizers and volunteers, especially those stunned looking semi-somnambulant teenage volunteers greeting us with enthusiasm in the dark early hours of morning at the start area."*

*"The Expo was wonderfully organized and again, so pleasant to attend. I love that the atmosphere is not one of stress or harried preparation for a race, but of a warm welcome to an enjoyable weekend. Most packet pickups are crazy and crowded and volunteers typically say, "Have a great race." I loved that the BSIM expo volunteers almost all said, "Have a wonderful time." We did!"*

*"BSIM is the best organized race! I am amazed at the commitment and passion of the Directors, year after year, voluntarily working their butts off to make this a world class event."*

*"The course and race day experience was MAGICAL. The scenery just really cannot be beat, and I was SO grateful to participate in this event."*

# 3K Schools' Competition

On Saturday, April 28, over 4,400 participated in the By-the-Bay 3K, most of them Monterey County school children, along with friends and families. The 3K fun run is one of several goal races of the JUST RUN® youth fitness program, designed to combat childhood obesity and promote healthy lifestyle choices. Forty-two Monterey County schools took part in the annual event. The 3K Schools' Competition is sponsored by the Big Sur Marathon Foundation and this year \$11,950 was awarded to 20 schools.

The JUST RUN program, now in its 17th year, is a free, website-based program open to schools and youth organizations around the country. Offering incentives, numerous benefits, and a wealth of information, JUST RUN is an easy to implement, turnkey, and fun program.

In the 2018 - 2019 school year, over 22,715 children, ages 5-12, ran a cumulative 570,520 miles and performed a record 52,520 Just Deeds (as of press time).
