Innovative healthcare with a human touch

Dear Athletes and Friends,

In 1993 Race Director Bill Burleigh began his "State of the Race" with a paraphrase of the Charles Dickens quote, "It was the best of events, it was the worst of events." He was referring to the death of Nancy Lesko, a Monterey County runner. In 2004 Matt Kogut, a 47-year old runner from Philadelphia, suffered a cardiac arrest at the mile 17 aid station. He was running with his friend, Jim McIntyre, who witnessed the immediate medical response and was present in the Command Tent when we notified Matt's wife of his death. We thank Jim for his praise of our medical team and our human response to this tragedy. Although we never met Matt, for weeks after the Marathon we felt his loss. He was a marathoner, one of us. All of you who run or walk the Big Sur course, for a brief period of hours, are in our care. We care deeply and our hearts go out to Matt's wife and children.

On April 25, as we dealt with the tragedy, over 9,000 of you participated in our six events. The comments in your report cards let us know it was a great day. The Marathon was won by a last minute entrant, Ibrahim Limo of Cary, North Carolina in a time of 2:26:19. Our female winner was Suzy West of Putney, Vermont who crossed the finish line in 3:10:06. We had 2,863 Marathon finishers, 458 Power Walk finishers and 279 Relay teams. There were close to 1,000 participants in the News 46 open 5K and nearly 1,700 took part in the Monterey County Schools' Competition. There were over 2,000 entrants in our 9-Mile and 10.6-Mile Walks.

Our events all take place over one of the most breathtaking stretches of coastline in the world. You tell us, however, it is the personal touches that make Big Sur your favorite race. The hospitality of our cities, our fantastic sponsors, our enthusiastic and supportive volunteers and, above all, the professionalism of our 74 "Blue Jackets" who make our six events run, as one of you put it, with the precision of a "Swiss watch."

We hope that you will join us for our Half Marathon on October 17, 2004. We feel that after just one year, it is rapidly becoming the best "Half" in America. We are working to make the 20th presentation of the Big Sur International Marathon a very special event. Most notable for the undersigned, we will be joining all the runners for 26.2 miles of running pleasure and hope to talk to as many of you as possible in the journey north.

Thanks for coming to our 2004 events, and we look forward to seeing you at the Start in 2005.

WE GET MAIL AND E-MAIL

What our participants had to say in 2004

We rely on your e-mails and report cards to find out what we did right and where we blew it. Your comments and stories contain a wonderful mixture of pride, humor and inspiration that validates the entire Marathon weekend for us. The Board of Directors and Staff of the Big Sur International Marathon thank all of you for choosing our events and we hope you'll join us again in 2005.

Your comments and reasons for running the Big Sur Marathon and related events include the following...

"What the hell? I just read on your website that you expect the runners to board buses in Monterey between 3:30 and 4:30 a.m.?!?!?! Are you freakin' nuts? How the hell do you expect anyone to run a decent marathon after waking up at 3 a.m.?"

- Paul Callo, Woodinville, WA 5:30:31

[Ed. Note-Paul and his wife did manage to arise early, make it to the start and finish within the 5 1/2 hour limit]

"Thank you for making my first marathon such a truly wonderful event. From the online registration and the wonderful expo to the exceptionally cheery volunteers at the race start and along the course and the man in the blue blazer shaking hands as we loaded the bus back to our cars, your event was incredible."

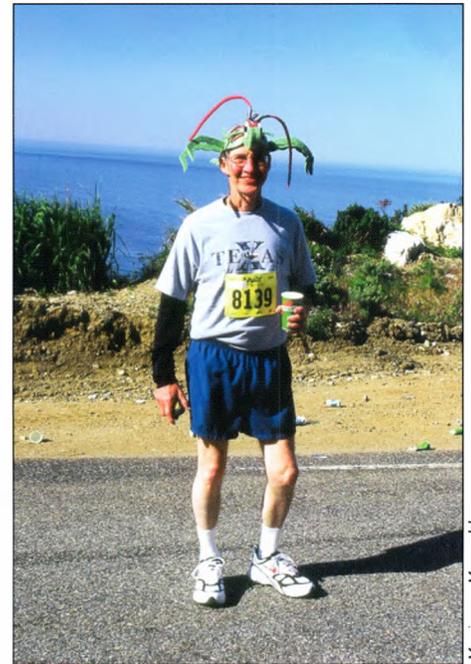

- Jeri Hessman, Bethesda, MD 4:57:34

"A bad marathon at Big Sur is better than a good one anyplace else! Wait, come to think of it, there is no such thing as a bad marathon at Big Sur..."

- Nicole Ludwig, White Plains, NY 5:28:28

"Everyone who runs owes it to themselves to run this race course. Spectacular views, cool music, great volunteers, a tough challenge, rolling hills, and barking seals. I've done 25 marathons and this ranks up there with Boston as my favorite, but for completely different reasons."

- Dan Daly, Chicago, IL 3:18:56

"I was uncertain of what running the infamous Hurricane Point would be like. This past Sunday I found out. Let me tell you, this race is the most breathtaking race there is. Running

Woo hoo! We did it!

alongside the gorgeous crashing waves and seeing all the excited volunteers who were so happy to be there really gave the course an amazing vibe. You really lose track of the mileage because you are so distracted by the beauty surrounding you.

- Abby Maika'i, Santa Cruz, CA

"April 25, 2004 was my 50th birthday and I had dreamed of doing BSIM for almost 10 years after a student of mine came back from running in 1998. Finally got here! Had a good reason not to wait any longer. It was as spectacular as my student described."

-Wendy Marcus, Seattle, WA 5:18:34

"Don't ever get rid of the mile 23 aid station - I look forward to the strawberries the whole race!"

Laura Galli, Foster City, CA 4:17:29

"More dancing girls!"

- James O'Carroll, Des Plaines, IL 3:33:45

"Beauty. Reputation. The most scenic, but the hardest! Don't change it. I've done Boston three times, and Hurricane makes Heartbreak cry!"

- Jerry Kohl, Minneapolis, MN 4:14:01

“Big Sur was my second choice. I had planned on the Napa Marathon but had an injury. I am now grateful for that injury. This was my first marathon and by far one of the best experiences of my life. Everything was absolutely fantastic! I’ll be back.”

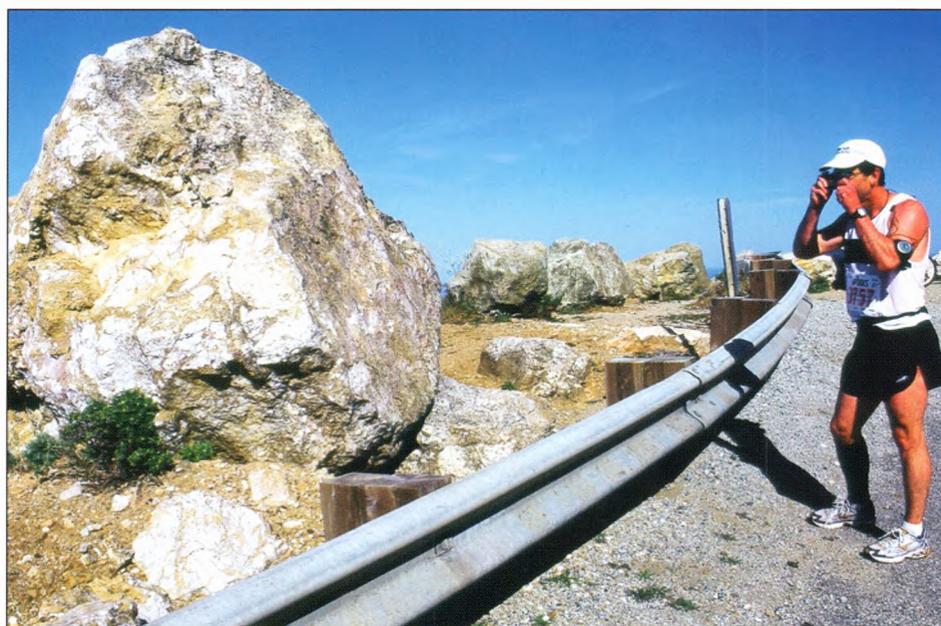

- Terry Coleman, Danville, CA, 4:47:47

“Was planning to use Big Sur as a preparatory race before Rock ‘n’ Roll in San Diego. BSIM looked gorgeous and offered a good hill workout. Since I made my BQ, I’m skipping R’n’R!”

GRIZZLED VETS

An unrelenting band of stalwart souls who've started and finished every Big Sur International Marathon since its inception

Potato chips, poker chips, chocolate chips, hickory chips and micro chips come in all sizes except for ChampionChips®. One size fits every shoe.

Grizzled Veterans, being from the old school, typically consult stop watches and sun dials to determine course progress and whereabouts. Yet, the ChampionChip® added a new dimension of time and space to the Big Sur experience this year. A cleverly devised tracking system, eager for the right year to be introduced, made its debut with preciseness that could only be measured in absolute timing terms.

But time waits for no one and the G.V. ranks shrank by one...While some chapters end, new ones begin as 35 look toward the Twentieth Presentation with a wonderfully blessed circle of running life to reflect upon. Grizzled Vets of the Big Sur International Marathon continue a journey that started 19 years ago. Their tradition lives on!

REMEMBERING BIG SUR 2004

... we love to see those smiles

Despite the relentless hills, uncertain weather conditions, and the challenge of a course run on the edge of the western world, those who travel from all over the world to participate in the Big Sur International Marathon find many reasons to smile. Hundreds of runners at the starting line can

be found wearing huge grins of anticipation as they listen to the National Anthem and watch white doves soar overhead. Those who have reached the summit of Hurricane Point smile in wonder as they look back at the incredible view behind them. Lots of smiles can be found on the faces of the volunteers serving up endless cups of water

and Gatorade. Probably the biggest smile of all is on the face of the exhausted runner who has just crossed the Finish line and successfully completed a first marathon. Whatever your reason, we love to see those smiles. We hope each of you will join us again in 2005 for our twentieth presentation. ☺

THE RELAY

presented by Blackstone Winery

On behalf of the Big Sur International Marathon, we hope you enjoyed participating in the 2004 edition of the Relay. Hopefully you returned home with not only a finisher's medallion, but with some wonderful memories as well.

Whether your team placed in a division, or whether you were "non-competitive" and just running for an opportunity to enjoy the Big Sur coastline, we applaud your decision to come to our Relay and take on a very challenging course. Many of you ran the first, downhill fast leg and, inspired by the beauty of the course, continued on towards the finish, some even completing the entire marathon distance. For those of you who took on the challenge of the third leg, featuring the notorious Hurricane Point, we offer our congratulations on reaching the summit and becoming a Hurricane Point Survivor. And for those who opted for the final leg, congratulations on representing your team for a successful finish.

Not your average relay event, it is the passion, excitement, adrenaline and high energy of the Big Sur Marathon Relay that really contributes to the overall enjoyment of the day. We always appreciate your comments and feedback on the event, and strive to make it a better experience for the runners each year.

Thanks go to Blackstone Winery for their generous and continuing support of the Relay. Winning Relay teams were rewarded with bottles of Blackstone wine, one more reason to savor the day. A true "hands on" sponsor, Blackstone had several teams of their own running the Relay.

THE POWERWALK

presented by Robert Talbott, Inc.

Congratulations to all who participated in the 2004 Power Walk! Perfect conditions helped make this year's event unforgettable for our 458 finishers. We hope you felt the gamut of emotions that are a part of the

NEWS 46 5K RUN

presented by the Community Hospital of the Monterey Peninsula

Over 2,800 racers, runners and walkers participated in the 2004 News 46 5K presented by Community Hospital of the Monterey Peninsula. The weather couldn't have been nicer for an early morning run on one of the most scenic 5K courses in the United States. Overall honors went to Steve Immel of Lincoln, CA with his winning time of 15:14. Less than a second behind him trailed the second place finisher, Ryan Hayes of San Luis Obispo. In the female race, Shaluinn Fullove of Palo Alto was the winner with her time of 17:41. Fullove held a solid 23-second lead over second place female finisher Megan Daly, also of Palo Alto. As in prior years, the News 46 5K served as the championship race for the PA/USATF Road Grand Prix series, presenting \$2,200 in prize money to race winners.

Continuing the News 46 5K tradition of awarding prize money to local schools, the Community Hospital of the Monterey Peninsula donated a grand total of \$9,000 for the Schools' Competition to be used in health and fitness programs. A total of twelve Monterey County Schools received cash awards based upon levels of participation in the race.

Special thanks go to the many volunteers, whose investment of long hours of hard work paid off handsomely for race participants. The beautiful course was in top condition, and the start and finish line received superb support from a multitude of volunteers. Without the contributions of News 46, the Community Hospital of the Monterey Peninsula, and the many other sponsors and volunteers, our 5K race would be unable to fulfill the expectations of the many runners and walkers participating in this scenic and energy filled event.

We hope to see all of you again in 2005! ☺

THE BIG SUR-VIVORS OF 2004

Meeting the challenge

The 2004 Big Survivors...ready to go the distance

The sixth year of the Big Sur Marathon Training Clinics kicked off with a group of 170 runners attending at least one of the eleven sessions and about 85 "regulars" for the entire six month duration. Being a part of the Clinic sessions has become a yearly event for about a dozen people who have been there for the second or third year in a row in an effort to continue gaining knowledge and insight about running the Big Sur Marathon. Eighty-two of the attendees finished the Marathon, bringing our five year total to 568 finishers. In addition to the Marathon, there were fourteen Power Walk finishers, eleven Relay participants and eight in the News 46 5K. Of the Marathon finishers, 67 were running their first marathon, and six people had never even run before. The times this year were much better than in previous years as Clinic attendees battled to meet the new 5 ? hour cut-off to be official finishers and receive a medallion. All but three made it.

Two of the Clinic's marathoners in particular achieved outstanding performances. Anne Goode placed in the 60-64 year age group and Amy Collingwood placed in the 16-19 year division. These two were indicative of the wide variety in the

ages of our Clinic participants.

Thanks go to the Community Hospital of the Monterey Peninsula whose generous sponsorship provided BSIM with a place to conduct the Clinics as well as offering healthy refreshments for participants at each session. Thanks go as well to the The Treadmill, who provided would-be marathoners with coupons for discounts on shoes and running gear. Turtle Bay Taqueria, owned by local runner Jefferson Seay, donated "Turtle Bucks", a nice discount towards some healthy and delicious food.

The 2004 Clinics once more offered a wide variety of topics pertaining to all aspects of running and marathoning. A panel of local runners and Big Sur veterans with expertise in a variety of venues provided support and a wealth of information on all aspects of running a marathon with an emphasis on the Big Sur course. Topics included training plans, running clothing, shoes, diet, stretching, injury prevention, women's issues and motivation. Big Sur vets with times ranging from over five hours to well under three hours offered their individual perspectives on how to tackle and survive the Big Sur course.

Of special note this year, Coach Bob Sevene of Team USA Monterey Bay and Blake Russell, who placed 4th in the Women's Olympic Marathon Trials, spoke to the group for one entire session. This was five days before Blake's marathon. The Clinic participants greatly benefited from this session and the insight of the experts.

The Wednesday Night Laundry Runners, a local running club, invited Clinic attendees to join in their bi-weekly group runs. They also partnered with the Big Sur marathon in providing support at the 3rd presentation of the "Popsicle Run", a hilly half marathon course designed to mimic the conditions at Big Sur. In return for their help, proceeds from the sales of the Clinic's official "Training Guide" went to the WNLR Scholarship fund. Scholarships totaling \$4,500 went to three deserving Monterey County high school senior distance runners.

The 2004 graduating class of the Big Survivors proved to us and, most importantly, to themselves that they had it in them to take on the challenge of running the Big Sur Marathon. Some finished in just over three hours, while it took others nearly six. At the post-race "Success Party", new marathoners shared pizza and their personal 26.2 mile stories. It was an evening that was both intensely emotional and motivational. Tears flowed and laughter resounded as, one by one, the Big Survivors told their tales of pain, perseverance and pure joy in their personal journeys to the Finish line. Only 48 hours after finishing, and despite sore quads and blistered feet, almost all inquired when registration would open for 2005. ☺

OUR VOLUNTEERS

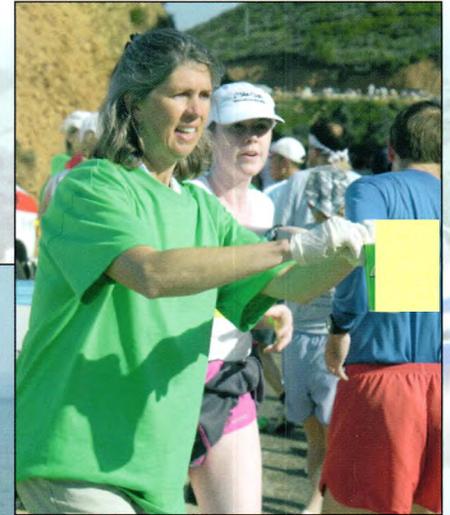

The Hearts and Soles of our events

They fold t-shirts by the thousands, they clean 26.2 miles of highway both before and after the Marathon, they hand out Gatorade and GU, and they offer a smile, a hug and a medallion to exhausted runners finishing their race. They direct traffic and dish out pounds of pasta the night before the Marathon. They call out split times at each mile along the course for hours and offer encouragement along with fluids at the aid stations. Many arise at 3:00 a.m. race morning, if they've gone to bed at all. Their ranks include school children and senior citizens, men and women, and all of them are eager to pitch in and do whatever is necessary, not only on race day, but in the weeks and months preceding the event.

Many of our volunteers have been with us since the inaugural Marathon in 1986 while others are first timers. Many have friends or family participating in one or more of the Marathon weekend events and volunteering allows them to share in the excitement. All of our volunteers are NICE people who sincerely wish to see the Big Sur International Marathon continue to grow and prosper. When you see them in 2004 throughout the course of the

weekend, please remember to tell them "thanks." Without their tremendous support the BSIM would not exist, much less become the world-class event that it is today. We offer our deepest thanks to each and every one of our volunteers! ☺

OUR AUTUMN EVENTS

...the Big Sur Half Marathon on Monterey Bay and Run Forrest Run 5K

Following our inaugural event in 2003, the Monterey County Herald proclaimed "A Tradition is Born". Indeed, nearly 3,000 runners lined up for the first presentation of the Big Sur Half Marathon on Monterey Bay, and when the starting pistol fired, proceeded to enjoy several hours of gorgeous scenery, perfect weather, great crowd support, enthusiastic volunteers and lots of course entertainment. The race was won by local elite Fasil Bizuneh in a time of 1:06:02; the female winner was Kristin Chisum of Wayland, MA in a time of 1:15:37.

In 2004 we are expanding the field to allow registration of 5,000 runners and

walkers. Participants will be seeded according to predicted finish time. All participants will receive a long sleeve event

shirt as well as a unique finisher's medallion. There is a 3/4 hour cut-off for the race.

In addition to the Half Marathon, we will again partner with the Bubba Gump Shrimp Company to present the Run Forrest Run 5K run/walk to be held on the same day. The mostly flat course begins and ends on Cannery Row and follows the Pacific Grove coastline. A fun family event, the 5K is open to 1,000 registrants.

You can register for both events at www.bigsurhalfmarathon.org ☺
