# Our Thanks

Dear Athletes and Friends,

On behalf of the Marathon Staff and the Big Sur International Marathon Board of Directors, thank you for your participation in the 20th Presentation of the Marathon and related events. Almost 12,500 participants registered for the Marathon, the Walks, the Relay, the 5K or the Schools' 5K Competition, a record number. Special congratulations to our Marathon winners, Jonathan Ndambuki (2:23:35) and Mary Akor (2:46:53).

*The 20th presentation...off and running!*

The Big Sur International Marathon would not be possible without the teamwork of our incredible staff, the dedication of supportive volunteers, or the immense generosity of our sponsors. We thank them all for their contributions that underlie our continuing success.

Over 1,000 of you completed our online exit poll. You awarded us a 96% approval rating for our course and volunteers. Your comments and suggestions are invaluable and we continue to use this tool as a means of ongoing improvement of our events. Thanks to those who took the time to critique us. Our mission is to exceed your expectations and to provide you the best marathon experience in the world.

We invite you to join us again on April 30, 2006 for our 21st presentation. Due to the overwhelming popularity of our events, be sure to register early. We open registration September 1, 2005 at [bsim.org](http://bsim.org).

Registration is currently open for the Big Sur Half Marathon on Monterey Bay to be held November 6, 2005. Our tradition of success continues with this scenic race, now in its third year. Like our Marathon events, the Half Marathon sells out early, so register soon at [bsim.org](http://bsim.org).

Good luck in your training and running, and thanks again for your participation in 2005. We look forward to seeing you again at the Start line on April 30, 2006.

Each year after our Marathon events we rely on your input to determine our strengths and weaknesses. Of course, we love all the positive comments, but we also look carefully at any gripes you had. There were the standard requests for later buses, more porta potties, more music on the course and fewer hills. While we solved our "sweats" problems of the prior year, we did have issues with busing to the start from Big Sur locations and a shortage of GU at some aid stations. For this we apologize and we will make sure things are corrected in 2006.

We asked our participants for comments in several areas and these were your responses...

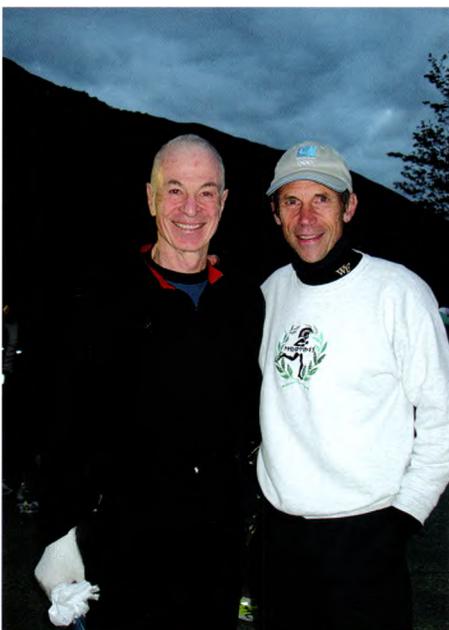

### **THERE ARE HUNDREDS OF MARATHONS TO CHOOSE FROM. WHY DID YOU PICK BIG SUR?**

"Well organized, a challenge, beautiful, convenient, free beer at the end, great shirt and medal."

~ Anna Wright, CA, 4:03:20

"Because the volunteers, organization, views and challenging course far outranks every other race I've done! It is forever ingrained in my running psyche."

~ Tania Reina, CA, 3:46:44

"I have run over 50 marathons. Big Sur was my fantasy marathon. After 27 years of marathons I wanted to finish my marathon career on the best course of all. It was fantastic."

~ Martin Herron, NY, 5:02:33

"I've run Honolulu, Dublin, Sydney, many LA's, a few SF's and San Diego. The most favored is Big Sur, it is the most sacred, inspirational and finest marathon I've run."

~ Priscilla Mason, CA, 4:34:10

"If Bill Burleigh was one of the dancing girls."

~ Bill Trapp, CA, 4:23:29

"You folks knocked the ball out of the park. Well done! Outstanding organization. Having run over 100 marathons and been a race director over the years for one of Alaska's marathons, you set the bar very high. I'm at a loss to suggest anything."

“Heaters at the start. Ha! Ha!”  
~ Katherine Griffin, TX, 4:38:02

“While the breathtaking views and course are the marathon’s signature calling, the true strength of BSIM is its organization and overwhelmingly helpful volunteer troop. Where do you find all these wonderful people?”

**GENERAL COMMENTS**

“First marathon ever... holy crap, did I choose a tough one! The good thing was that I didn’t see too many of the hills, but that may have been because I was grimacing in pain.”  
~ Paul Brister, CA, 4:44:58

“The things that require so much behind the scenes work, transportation, volunteer coordination, expo, etc., were all done flawlessly. This is one well done race. Bravo!”  
~ Christopher Brown, IL, 4:00:59

“Mr. Hugs at mile 23 - gotta keep that guy; I really needed one. The best strawberries I’ve ever eaten in my life! The piano playing - surreal... thanks for memories that I expect will last a lifetime.”  
~ Greta Spiva, MD, 3:51:37

# 40 Anniversary

Barry Alexia led the pack and Janice Knafelc brought up the rear. Everyone else fell in-between. That means 35 Grizzled Vets started and finished this year's ongoing journey: BSIM 20 in-a-row.

Consider the time frame for a moment...twenty years, two decades, a quarter of one's average life time. However expressed, it's a long while to be doing repetitive motion, let alone run one particular marathon consecutively for that period of time!

Grizzled Veterans are a mixed bunch. Men to women ratio of 27:8; they range from 43 to 77 years of age; some work; others are retired; a couple have entrepreneurial ventures. The entire group roosts in California—with a majority living in the north.

All Grizzled Vets have the same calling (for various reasons) each year. Which is why, presumably, they'll be back next April for yet another milestone event: "21".

~Bob Utley, Grizzled Vets Liaison

### THE DIRECTOR'S RUN . . . Our pre-marathon Marathon

The 20th presentation of the Big Sur International Marathon proved so enticing that many of our Board members opted to run the real deal event on April 24th, including our Chairman of the Board, Hugo Ferlito. Others simply have to work race day and are glad to have the "Director's Run" as an alternative. Five Board members and one guest ran the "Board Marathon" on Saturday, April 16th. One Board member, due to illness, ran solo on May 1st. Ipods replaced grand pianos, aid was often bottles secreted along the course during the drive to the start, and the only crowd support was a motley collection of cows, llamas and sheep. Our Board members are fiercely dedicated to this Marathon, and indeed, a new Director's Run course record was established. Despite the 5:00 a.m. start, we all had a good time.

# Remembering Big Sur 2005...

*we love to see your smiles!*

Despite the challenge of relentless hills, uncertain weather and the ever ticking clock, those who travel from all parts of the globe to run the Big Sur International Marathon find lots to smile about. There are the nervous grins of anticipation as hundreds line up at the Start, listening to the National Anthem and watching white doves soar overhead. Upon

reaching the summit of Hurricane Point, many smile in wonder as they look back at the incredible view behind them. Smiles light the faces of the hundreds of volunteers serving up endless cups of water and Gatorade. Probably the biggest smile of all

is on the face of the runner who has just crossed the Finish Line and successfully completed a first ever marathon. Whatever your reason, we love to see your smiles. We hope each of you will join us again in 2006 for our 21st running.

# 20th Anniversary

# The Relay presented by Blackstone Winery

We celebrated another successful Relay at the 20th running of the Big Sur International Marathon. It's truly a pleasure working with this event and welcoming so many new faces and teams as well as reuniting with our Relay veterans. We love the smiles on your faces as you cross the finish line. Your interesting and unusual team names add color, humor and smiles to our day.

The excitement and enthusiasm of the relay runners contributes a special energy to this challenging course. Some runners chose to add additional miles or run more than one leg in order to experience as much of the Big Sur course as possible. If they weren't too fatigued from the seemingly endless hills, the beauty and solitude of this amazing stretch of coastline beckoned them to stretch themselves even further.

There is a lot of planning and preparation involved in making the Relay a pleasant experience and we appreciate your participation and involvement. Please let us know what we can do to make your experience even more enjoyable in 2006. Finally, we appreciate the help and support of our many volunteers and extend our thanks to them.

# The Powerwalk

presented by Robert Talbott, Inc.

Congratulations to all who participated in the 2005 21-Mile Power Walk! Our 470 finishers enjoyed great weather and road conditions and we hope your experience was a positive one. Thanks to those of you who took the time to complete the online exit poll; your comments and input are invaluable to us. Thanks also to the many volunteers who help make your journey up Highway One as smooth as possible.

Take pride in your accomplishment and savor your memories. We hope you'll join us again the last Sunday in April, 2006.

# News 46 5k Run

presented by the Community Hospital  
of the Monterey Peninsula

The 2005 News 46 5K was an overwhelming success! Congratulations to all finishers, both runners and walkers, who made this year's event a record-setter. Over 3,200 registered for the 5K, running competitively in the open 5K or participating in the Monterey County Schools' Competition fun run.

Once again, the News 46 5K served as the championship race of the PA/USATF Road Grand Prix Series, offering \$2,500 in prize money.

The overall first place honor went to Sergio Reyes for his time of 15:09. Just behind him was 2004 winner Steve Immel, whose time of 15:15 placed him just a step ahead of third place finisher Scott McClennan (also 15:15). Forty year old Bill Bushnell won the Master's title in a time of 16:19.

The women's title went to Elissa Riedy in a time of 17:19. Jill Boaz came in a smooth second in a time of 17:27 and was followed by third place winner, Katy Hollbach in a time of 18:19. Lisbet Sunshine won the Master's division with her time of 18:40.

More than 20 Monterey County elementary and middle schools competed for cash awards based on their level of participation in the race. Twelve awards in four categories netted the winning schools \$9,000 in prize money.

The Big Sur International Marathon wishes to thank the many dedicated volunteers and generous sponsors who continue to support the 5K events. The Community Hospital of the Monterey Peninsula once again funded the Schools' Competition by providing \$7,500 in prize money.

We hope each of you enjoyed your day, whether you were running or walking competitively or just for fun. We look forward to the 2006 News 46 5K and hope to see you there.

# The Big Sur-vivors of 2005

The 2005 Marathon Clinic series embraced a smaller group this year, but what they lacked in numbers they made up for in enthusiasm. We had 105 people attending at least one session, with about 30 regulars and 40 finishers. In 2003 there were about 100 regulars with a record 108 Marathon finishers. Over the past seven years of the Clinics, we now boast 608 Marathon finishers. In 2005, 30 of our finishers were first timers bringing that total to 417 over the course of seven years and 26.2 miles.

The finishers' times were faster this year, with nearly all completing the course within the 5 1/2 hour time limit. Several former Big Survivors have stepped up their training by working out with the Big Sur Training Club. Both Bill Garwood and Gloria Dake were able to medal in their age groups.

Of special note in 2005 were Clinic participants and first time marathoners Jon Segal and Ken Ottmar, both from the Monterey County Herald. They chronicled their training, good natured rivalry and often humorous experiences in the newspaper and on the internet each week, generating a lot of publicity for the Marathon between November and April. Both finished the Marathon; Jon in 5:06 and Ken in 6:07.

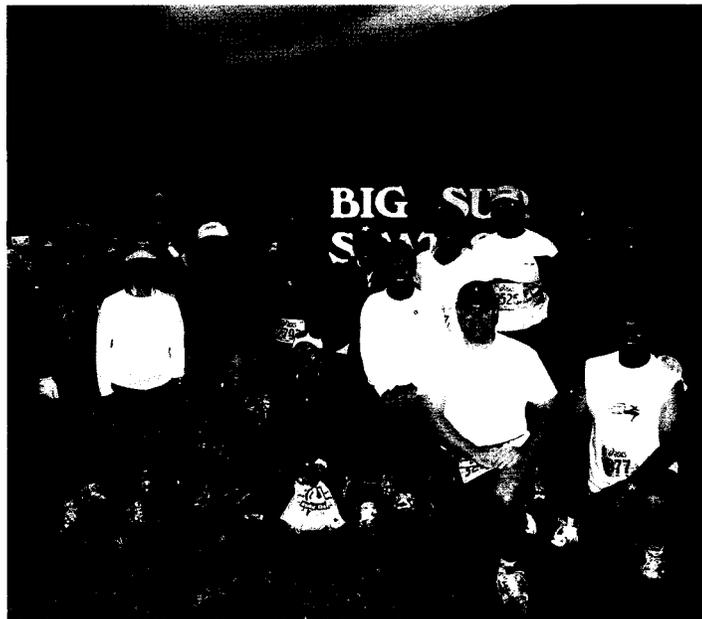

Special thanks to the Community Hospital of the Monterey Peninsula whose generous sponsorship provided BSIM with a place to conduct the Clinics as well as offering healthy refreshments for participants at each session. Thanks go as well to the Treadmill who provided would-be marathoners with coupons for discounts on shoes and running gear. Turtle Bay Taqueria, owned by local runner Jefferson Seay, donated "Turtle Bucks", a nice discount towards some healthy and delicious food.

The wide variety of topics offered during the Clinic's six month run was backed up by the support and in-depth

knowledge of local runners, Big Sur veterans, health and fitness professionals, coaches and professional athletes. Their expertise in a variety of venues provided a starting point and wealth of information on all aspects of running a marathon with an emphasis on the Big Sur Course. Thanks go to Coach Bob Sevene and Blake Russell of the Big Sur Distance Project along with Wally Kastner, Hugo Ferlito, Dr. Jay Cook, Dr. Catherine Hambley, Dr. Marc Lieberman, Barbara Quinn, Caitilin McGuire, Susan Love, Donald Buraglio, Tom Rolander, Jon Russell and Sally Smith for all their contributions to the success of the Clinics.

We'd also like to thank the Wednesday Night Laundry Runners, a local running club, for providing bi-weekly group runs during the six months of training. The WNLRs also partnered with the Big Sur Marathon in providing support at the 4th presentation of the "Popsicle Run", a hilly half marathon course designed to mimic the conditions at Big Sur.

The 2005 Big Survivors took up the challenge in November 2004. They proved to us, and most importantly to themselves, that they had it in them to take on the challenge of running the Big Sur Marathon. At the post race "Success Party" they shared not only boxes and boxes of pizza, but what it felt like to run 26.2 miles on one of the most difficult marathon courses in the world. Tears flowed and laughter resounded as, one by one, the Big Survivors told their

tales of pain, perseverance and pure joy that they experienced in their personal journeys to the Finish Line.

We welcome them, and you, to take on the challenge again in 2006.

They fold t-shirts by the thousands, they clean 26.2 miles of highway both before and after the Marathon, they hand out Gatorade and GU, and they offer a smile, a hug, and a medallion to exhausted runners finishing their race. They direct traffic and dish out pounds of pasta the night before the Marathon. They call out

split times at each mile along the course for hours and offer encouragement along with fluids at the aid stations. Many arise at 3:00 am race morning, if they've gone to bed at all. Their ranks include school children and senior citizens, men and women, and all of them are eager to pitch in and do whatever is necessary, not only on race day, but in the weeks and months preceding the event.

Many of our volunteers have been with us since the inaugural Marathon in 1986 while other are first-timers. Many have friends or family participating in one or more of the Marathon weekend events and volunteering allows them to share in the excitement. All of our volunteers are NICE people who sincerely wish to see the Big Sur International Marathon continue to grow and prosper. When you see them in 2006 throughout the course of the weekend, please remember to tell them "thanks." Without their tremendous support the

## Big Sur Marathon Events

Part of our mission statement states that we serve the community by providing "...related fun events that raise money to benefit local charities, while promoting health and fitness." In addition to our April events we now offer the Big Sur Half Marathon on Monterey Bay and Run Forrest Run 5K, both to be held on November 6, 2005. Staged along the Monterey Bay and Pacific Grove coastline, these autumn races are presented with the same first-class organization as our spring events.

Our organization has also taken on the Big Sur Distance Project, an elite training center dedicated to developing, supporting, and preparing US post-collegiate distance runners for National and International level competitions. The young athletes of the Distance Project serve the community by actively promoting physical fitness and healthy lifestyle for people of all ages, with an emphasis on youth fitness.

**Big Sur**  
Distance Project

In keeping with the need to address youth fitness and the accompanying problem of youth obesity and diabetes, our organization has developed JUST RUN Monterey County, a free program designed to provide schools and youth organizations with vital youth fitness programs. Nice People  
a special thanks  
to our sponsors & contributors

The world-class Big Sur International Marathon would not enjoy the success it has achieved without the generous support of our sponsors and contributors. Please let them know how much you appreciate their contributions to our events by using their products and services, visiting their facilities, or writing them a letter or email. Visit our sponsor page at [www.bsim.org](http://www.bsim.org) to learn more about them. Remember that you, too, are a contributor—your entry fee and participation in the Big Sur International Marathon allows the Board of Directors to make contributions to charitable and civic organizations in Monterey County, including Big Sur.

Support of our events comes from the communities throughout Monterey County, and this is our small way of saying "Thank You!"
