*As a finisher of the course along Highway One, you are now a member of the  
Big Sur International Marathon Club. Membership is limited to those runners  
who have finished the distance. You have accomplished a major athletic feat;  
very, very few people in the world can say they have completed a marathon.  
You can say you ran the best.*

# A Special Thanks to Our Generous Sponsors

This race would not exist without the generous support of our sponsors. Please let them know how much you appreciate their contribution to our event by using their products, visiting their facilities or by writing a letter.

## CHARITY IS THE REAL WINNER!

Your entry fee and participation in the Big Sur International Marathon allows the board of directors to make contributions to charitable and civic organizations including those in Big Sur, Carmel, Monterey, Carmel Valley, Pacific Grove, Seaside and Salinas. Support of this event comes from throughout Monterey County and this is our small way of saying "thank you" to those organizations that lend a helping hand in these communities.

# THE STATE OF THE RACE, 1991

BY WILLIAM B. BURLEIGH,  
RACE DIRECTOR

**Herewith our annual report  
on the extraordinary event  
that happened last April 28.  
If you are reading this you  
are probably a finisher, a  
member of the exclusive  
“HURRICANE POINT  
SURVIVOR’S  
ASSOCIATION.”  
CONGRATULATIONS!**

In my “State of the Race” message to you in the last year’s Results Book, I spent most of the time explaining the mistakes we had made, attributing many to growing pains. (We went from 1,640 runners to 3,069 in two years.) This year we have a different message...

This is the first time I have said this; I hope it isn’t the last. On April 28 you folks participated in the best Marathon that has ever been staged. Anytime, anywhere. Like one of our runners said, “It don’t get no better than this!” He was right.

The weather was perfect, the start was on time, water and Gatorade were plentiful, music a delight, scoring accurate, traffic light, no serious injuries, scenery incredible, and thousands of happy people, including runners, walkers, volunteers and sponsors. If this was your first marathon, you are spoiled. The only problem is that now we have nowhere to go but downhill. (Which upon reflection, is not a bad direction for a footrace.)

There were a few glitches, to be sure. But consider the fact that hundreds of people are doing something, often complex and critical, that they have never done before, sometimes after little or no sleep, and for which they are not being paid. The potential for disaster is enormous, especially if there’s bad weather or heavy traffic. But everything went right for us this year—even luck.

Our problems, all correctable: we had a great map, prepared by our architect Board Member Phil Korchek, with the Hyatt, Middle School, etc., then forgot to give it to you! (But think of all the stuff we remembered!) ■ ■ ■ We ran out of XL T-shirts—primarily due to L runners taking an XL. (If you were XL and didn’t get one, let us know and we’ll send it to you.) ■ ■ ■ The production company for our TV show fizzled. We are trying to edit a good show from their raw footage. If you ordered a copy, please be patient. If we can’t produce a good tape in six months, we will refund your money

■ ■ ■ One of our bus drivers was injured on Saturday and didn’t tell us—creating a problem for the last load of runners who had to carpool to the start. Sorry ■ ■ ■ A new van driver left off our split and pace people for miles two and three at the wrong place. Sorry for the confusion. The rest of them were accurate. (They are just for your information and do not affect official timing or scoring.)

## NOTES AND VIGNETTES:

Good News: two years ago we had an unpleasant split with our race consultant, Frank Shorter, when he failed to appear. We recently received a lengthy and sincere apology, which we accepted. We welcome him back.

■ ■ ■ Also good news: *Runner’s World* has signed on again as a Gold Sponsor; where would we be without them ■ ■ ■ All runners who won or placed in their division will receive a handsome calligraphy certificate, within 90 days ■ ■ ■ Our race, in keeping with ARRA rules, does not pay appearance fees to elite runners. Money payments are based solely on performance. And speaking of performance, our favorite runner, Brad Hawthorne, took home \$4,500 for his repeat overall win, a very modest purse. His performance deserves much, much more. I wish we had it. ■ ■ ■ The only significant negative this year has been our inability, for seven years, to attract major sponsors. If you have any ideas, give us a call at (408) 625-6226. ■ ■ ■

We still have 75 Grizzled Vets—those who have run every race. That number can only go down. ■ ■ ■ For the fourth consecutive year, runner Ben Jones gave me a \$100 bill at the finish—which we have sent to the Salvation Army in his name. Why don’t all of you do that? ■ ■ ■ Almost all spring marathons had fewer runners this year: Boston, L.A., and Long Beach were all down 10-20%. Big Sur was no exception.

We hope it is attributable to the recession and the war in Iraq. We had 2,445 registered. Of those, 313 (12.8%) did not show up to pick up their packets (our 5 year average is 14%) Of the 2,142 that started, 1,898 finished—our consistent (and high) 88.6% ■ ■ ■ There were no serious injuries; one runner went to the hospital, was treated for hypothermia and released. We now have a happy history of six years and over 11,000 finishers—and still no serious injuries.

As all of you know by now, the Big Sur Marathon thinks that running should be fun. We encourage all runners, unless they have a chance to win a place in their division, to start the race with a camera and a good book. You know, what's your hurry? In keeping with that philosophy, humor is important to us. And each year in this space we print some of the funny things from this race: "I've run about 60 marathons, but this was a PR. It was the first time I made it to the porta-potty before the start. Twice!" (Craig Newport, Orangevale) ■ ■ ■

Responses to the query on the entry form: "Where did you hear about this race?": "I didn't hear about it. I just knew." (Thomas Forrette, Salinas); "I ran last year when there was no wind and it was flat," (Terry Johnson, Sacramento); "FRIENDS", (Freddy Hampton, Chicago); "The gestation has been so long its hard to know the point of conception.", (Mark Shelly, Monterey); "In a bad dream.", (Jack Brown, Tujunga) ■ ■ ■ George Nedleman, Torrence, certainly had an effective idea. He waived his \$2.00 repeat runner's deduction, and asked that it be donated to the wind gods. It worked. ■ ■ ■ Some late entries to name our almost finisher: "Leonard Bonestein", (Eric Van Soest, San Rafael); "Sigmund Fried", (Larry Wilson, San Mateo); "Elvis", (Don Sisley, San Francisco); "Boney Maroney", (Bo Garcia, Lawndale); "Sur Ceased", (Richard Andrew); "Fugue in D-hydrate", (Robert Yamamoto, Santa Ana); Last, and probably not least: "Jimmy Hoffa", (Bob Edmunds, L.A.). In case you missed it, the winner (again with the classical music connection), was "De Composer, (Alan Mair, Santa Rosa)

■ ■ ■ Some of the comments made by runners as they passed DeComposer: "He's not going to need those shoes now, is he?"; "I know that guy—he's the guy that suckered me into doing this."; "That guy's in trouble!"; "It's my sister!"; "That's not even funny anymore."; "He looks better than I feel."; "Wish you wouldn't put that mirror there"; "That's my ride home!"; "I think he's dead"; "This guy needs a sponge"; "That guy passed me at mile three—and he looks better than I feel."

Our "report card" that you sent back yielded a lot of smiles. To the query, "Why did you choose Big Sur?": "A friend sold me her ticket at half price after an injury.", (Anon., Oxford) (We were hoping for something nice! Ed.); "A. I live here B. Peer pressure C. Nothing else to do that day D. Masochistic tendencies E. All of the above", (Gene Barth, Carmel);

"Girlfriend made me do it", (Keith Erickson, Salt Lake City; "The DAMN course" (Jack Kirkpatrick, Drain); "I felt so much pain last year that I had to do it again to prove it was that painful!", (Brad Heppner, Sausalito).

To the question . "What would you change about our event?": "My finishing time.", (Barbara Eisinger, Carmel, and Joanne Barker, Camarillo); "Make it six miles shorter", (Todd Chumway, Oakland); "Cut down the hills", (Delores Horn, San Francisco). Finally, regarding the rose at the finish: "People who have just run 26 miles should not be handed sharp instruments.", (Bruce Cullen, Vancouver).

**URGENT NOTICE:**

Our event uses up most of the hotel/motel rooms in this community. Another major event, that also uses most of the available rooms, just changed its date to the same as ours—and neither of us can change. If you plan on running Big Sur next year, reserve your room today! Our host hotels are the Doubletree Inn (408-649-4511) and the Monterey Sheraton (408-649-4234). Be sure to mention that you are with the Marathon to get the special \$105.00 rate. For additional Hotel Information, call Monterey Travel (1-800-334-4433)—no charge for their service. Please note that the \$105.00 rate is not available through Monterey Travel.

That's it for '91, our best race yet. We hope you join us on April 26, 1992. In the meantime, happy feet.

Bill Burleigh,  
Race Director

# We Get Letters

**Occasionally someone asks why we put so much time into staging this event, and no one is paid. Probably the best answer is that our greatest compensation is the letters and comments that we receive during and after each race. Here are some of them:**

"I was happy to see the finish line, but didn't want the day to end."

**Anon**

San Diego, CA

"Thank you for making my first marathon a memory that will last a lifetime."

**David Cotter**

South Lake Tahoe, CA

"I have now run your marathon twice. Both times it was so well organized that it ran like a well-oiled machine, yet, it was run with a sense of humor and downright fun. I'm leaving my wife and child. Will you marry me?"

**Craig Lee**

Salinas, CA

"Essentially, Big Sur should be a standard to which all other marathons should be compared (except perhaps Boston)."

**James Coyer**

Monterey, CA

"This race was truly the most inspirational time of my life, since the birth of my children. Totally awesome."

**Frank Rice**

Van Nuys, CA

"I have run Boston, New York, and The Marine Corps Marathons. Big Sur was the most enjoyable, friendly and stimulating experience of my running life."

**Stephen Tuck**

San Francisco, CA

"I've done 10 marathons now, and none of them compare!"

**Steven Noble**

Industry, CA

"It's as close as I can come to running in heaven without having to go there."

**John E. Orsak**

Dublin, OH

"Big Sur is the Race of All Races!"

**Adele Cox**

San Francisco, CA

"I've run Boston and Big Sur and in between, and Big Sur is the most organized, enjoyable race event that I have experienced."

**Tammy West**

Santa Barbara, CA

"I've run in the Boston Marathon 3 times; also done Napa 4 times and SF 4 times. All things considered this (my first Big Sur) was best for aid stations, enthusiasm, natural beauty, and fun. (The naming of the hills with signs was fantastic!) Also, I love the music. There was an incredible amount of *thinking* put into this race."

**Kathy Frank**

San Francisco, CA

"This glorious, unique event is a testimony to the grace and dignity of the human spirit. Never have I felt more invigorated, rejuvenated, enlivened, joyous, and 'alive' after a marathon! I've run 20, including Boston, LA, Dublin, and London."

**Larry Mackin**

San Jose, CA

"Once you've run BSIM, there's no other choice!"

**Jan Olson**

Van Nuys, CA

"This year's Big Sur was my 51st marathon, and as I said last year, there's no finer marathon in the world than the Big Sur International."

**Allan Stanbridge**  
Columnist, *The Times*  
San Mateo, CA

"The race was wonderful. (What do I do, and where do I go to top this experience!) I approached the finish line with mixed emotions: I was happy to be finishing (no more hills!), but I didn't want it to be over. Now I'm back in Dallas and my mind is still out there running across Bixby Bridge, listening to Jonathon Lee play Pachelbel's Canon in D."

**George Gretser**  
Dallas, TX

"Everyone who has ever run a marathon knows the physical and psychological pain involved, but the Big Sur scenery and the people who staff its course provide a pleasing anesthetic that is nothing less than inspirational. This event really has a personality unlike any other marathon I've run or witnessed. If it was announced that you were holding it again tomorrow, I'd be there—sore legs and all."

**Andrew Smith**  
Newbury Park, CA

"Big Sur is a vibrant monument to running. There is no doubt that those few privileged ones who have run it or will in the future will always treasure the memories of those precious few hours on a very special Sunday morning on the most beautiful stretch of U.S. 1."

**Yves Masson**  
Geyserville, CA

"It was entertaining—the spirit of this race was overwhelming. This was a major life experience, and I've had a few: Ex-Club Med Chief of Sports/free-fall parachutist/6 years army (British)/National Naval Team/delivered both my children."

**John Stella**  
Philadelphia, PA

"I could have bettered my time if only I didn't slow so often to see the many wonders of nature all around me!!!"

**Anne Gibeaut**  
Manhattan Beach, CA

"I've run 14 marathons—LA, New York, San Francisco, Rotterdam. This is the best and by far the most beautiful. Mozart would have loved it. Bravo, Bravo, Bravo."

**Barry Panensky**  
New York, NY

"I didn't think I would finish and thought I was crazy for entering, but it was so much fun—not only the race, but the whole weekend of events!"

**Katie Ditzler**  
San Diego, CA

"Best marathon in the world, and I have run over 30 all over the world."

**Neal Dempsey**  
San Jose, CA

"The incomparable course, the enthusiastic volunteers and the unique entertainment really set this race apart from other marathons."

**Leslie Cobb**  
Oakland, CA

"If its true that you lose your heart in San Francisco, it must be true that you lose your sole in Big Sur."

**Robert J. Camp**  
Calgary, Canada

"I have run 28 marathons and can honestly admit that Big Sur was by far my favorite. The people are great! The scenery absolutely breathtaking."

**Kim Goff**  
Female Overall Winner  
Providence, RI

"Since the run I still have this uncontrollable grin...After Hurricane Point I was overcome with joy, praising God for the beauty around me, the physical health that allowed me to do this, the music being played. Thank you for a wonderful time, I don't know how any marathon could be any better than this."

"I still get goosebumps when I think back to crossing the Bixby Bridge while listening to beautiful piano music. The memories of this race will stay with us for a very long time. Especially since we both did our marathon PRs of 3:27 for my husband and 4:12 for me."

**Suzanne and Rip Reeves**

"My goal is to be the oldest runner in the race 30 or 40 years from now."

**This is an important legal document. Read it carefully before signing.**

I realize that the event is physically strenuous, that there may be adverse weather, and there may be vehicles on the course. I nevertheless wish to compete and assume the risks involved. I am in good health and I have trained adequately. I authorize the race to provide medical attention for me at my expense. I assume the risk of any injury at the crowded start, or on the course. I give up any claims for injuries that I sustain, including death, and agree to hold harmless the Big Sur Marathon, its directors and officers, employees and volunteers, suppliers, contractors, sponsors, the State of California, and anyone connected with the race. I agree that the race may use any photographs taken of me without compensation.

I have read and understand all of this. I am making this agreement and paying my entry fee in exchange for the privilege of running this race and using the facilities provided by the race.
