# THE STATE OF THE RACE, 1992

BY WILLIAM B. BURLEIGH,  
RACE DIRECTOR

**Herewith our annual report  
on the extraordinary event  
that happened last April 26.  
If you are reading this, you  
are probably a finisher, a  
member of the exclusive  
“HURRICANE POINT  
SURVIVOR’S  
ASSOCIATION.”  
CONGRATULATIONS!**

Now, really, how many marathons do you know that provide an earthquake at 4:15 A.M., so you don't sleep through your 5:00 bus departure? And do you realize how difficult it was for us to arrange for temperatures in the high 50's-low 60's, and no wind?

Well, that's just the way we do things around here, the full service marathon.

In last year's State of the Race report I said that we had staged the best marathon ever, and that we had nowhere to go but downhill. Not.

This race was perfect. Even better than last year. We only had two complaints from runners, one we always get, one new this year.

Every year runners ask for more chemical toilets, and every year we add still more—this year 200! \$14,000 worth! I think we have a better runner to toilet ratio than any other marathon. Alas, still not enough.

The second complaint was against the newly adopted age-graded scoring system for masters. It's probably the most unpopular thing we have ever done—except with the runners who won under the new system. They loved it. After a lot of discussion, we have eliminated AGS, and returned to Division scoring for the masters.

Our numbers this year were almost exactly the same as last year: 2,432 registered, 307 did not pick up their packets and 1,931 finished. Not bad numbers for an expensive marathon, during a recession. We are always pleased that about 90% finish our difficult course—much higher than many flat marathons, like Los Angeles. We attribute it to the atmosphere—runners feel so good mentally and emotionally, they just do it.

Naming our bald eagle perpetual trophy was a hoot. Since most of you weren't there for the announcement at the awards ceremony, here it is: first and only runner-up, for which he gets absolutely nothing, not even a plaque, is Reg Henry for his entry,

“Orkestrel”. He might have won, except that a kestrel is a hawk, not an eagle. We actually had two winners, and The Treadmill has agreed to give both their choice of running shoes. In keeping with our request for a touch of class and elegance, we chose Jean Louis Pellegrin's entry, “Big Soar.” Then Mark Winitz suggested we should name it after our favorite runner, and we agreed. So henceforth, it shall be known as “Big Soar, the Brad Hawthorne Trophy.”

The Walk sold out again (1,000) and had their smoothest event ever. The new 5K also sold out (1,000) and was a huge success with friends and relatives of the marathoners, and the local community.

I don't want to end my message on a sour note, so I'll mention it here in the middle: money. We have been begging and groveling before sponsors for eight years, and we've spent \$23,000 on monthly salary for professional agents, and have yet to even get an interview with a potential major sponsor. And we offer a 20% commission to anyone who can find a sponsor for us!

We feel that companies like Kodak, Fuji, Nikon, Ricoh, Jeep, etc., would be natural for our event because of our spectacular scenery and rugged coastline. But even the professional agents only get a form letter rejection.

We think we are the best marathon in the world, and we can factually prove that we offer more exposure, per dollar, than any other U.S. marathon, but we still can't get the attention of any major sponsor.

It costs a ton of money to stage a quality marathon—and we insist on quality. Although we are all volunteers, we still have to pay for 6,500 T-shirts, 200 chemical toilets, 100 bus trips, 40,000 entry forms—with stamps and mail service, insurance, CalTrans and Highway Patrol costs, professional musicians, prize money, 2,000 medallions, etc., etc. I could go on for pages. The tents at Marathon Flats alone cost \$8,000 for one weekend.

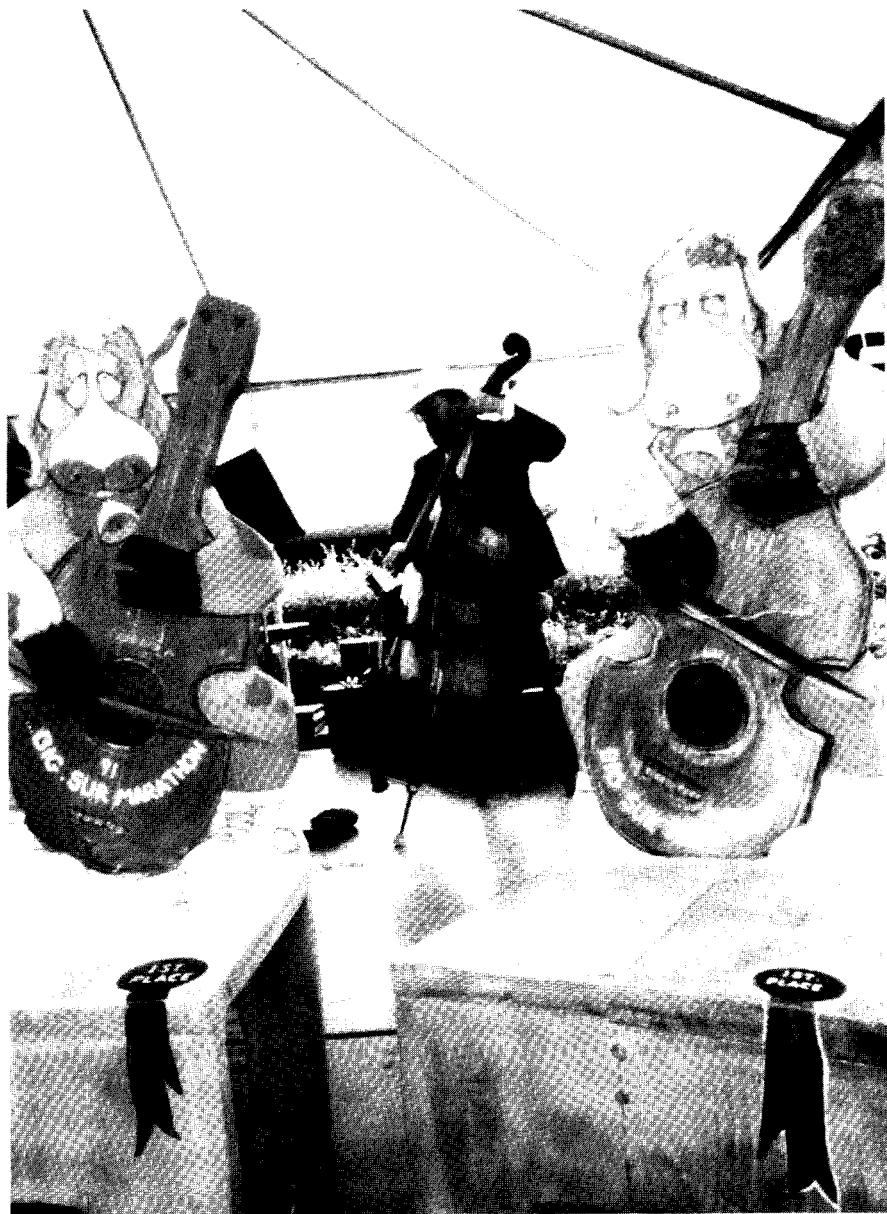

The bottom line is that we are working very hard all year and earning about a penny an hour for charity. We have to increase our income, and the only sources are entry fees and pledge sheets. You folks were agreeable: the vote on the report card was, as of this writing, 228 in favor of a \$70 entry fee, and 91 opposed.

There. I got it off my chest and I already feel better.

**NOTES & VIGNETTES:**

Frank Shorter rejoined us again this year and he was a delight to work with—especially television. He donated his services, and I hope we can offer to retain his presence next year. He's always a big asset. ■ ■ ■ Ben Jones gives me a \$100 bill every

year at the finish line, and, this year he was joined by Larry Wilson—their money was forwarded to the Big Sur Fire Brigade and Big Sur Health Center, two agencies that receive no tax support. ■ ■ ■ Once again, for the seventh consecutive year, we had no serious injuries. One runner went to the hospital with hypothermia—he didn't take enough water—and was treated and released. ■ ■ ■ Let's hear it for *Runner's World* magazine—they are back with us again as our Gold Sponsor! I'm not even sure our event would survive without their help. If you don't read their magazine, you are missing an important part of running. ■ ■ ■ Our Grizzled Vets (those who have completed every race) have defied the laws of physics, mathematics,

*The Perpetual Trophies for the first place men and women finishers in the Military Division on stage, among the musicians, during the concert performed by the Monterey Bay Symphony.*

etc., this year, by increasing from 75 to 81. (Actually, it's possible if some of them didn't register their status with us in 1991.) ■ ■ ■ If you missed our group meal carbo party on Saturday evening, you made a mistake. The food was great and plentiful, music the best ever, slides of prior races shown, and an elegant ambiance. If you run Big Sur next year, don't miss the group meal at the Hyatt Regency. ■ ■ ■ We finally have a T.V. show that we are proud of—after seven years of trying. (It didn't show on race night because the motorcycle courier taking the edited copy to the T.V. station dropped it on the highway and it was run over by a truck! Honest!) It's a terrific way to remember your great accomplishment. Send \$19.95 for the half hour T.V. show, or \$39.95 for the T.V. show plus an extra 30 minutes of runners, scenery, and music, to BSIM—TV, Box 222620, Carmel, CA 93922. We guarantee you'll enjoy it.

As you know, humor has always been important to us, and we annually repeat here some of the amusing comments from the race. Jackson Price, Toledo, said we ought to give each finisher a disabled certificate for their car window. ■ ■ ■ We offer a \$2 discount to all prior finishers. Mike Marotta, Monterey, wrote, "Keep it. My checking account is balanced in round numbers." ■ ■ ■ Leonard Hill, once again in finishing second to Brad Hawthorne, while still in the finish chute: "The only way I'll ever beat Brad is to outlive him." ■ ■ ■ "The finish banner is visible for too long a distance." Jerry Foshee, Carmel ■ ■ ■ In the space that we intended to designate your airline, Brad Harris put, I flew, "80MPH through Utah in my Ford." ■ ■ ■ We would like to know Michael Smith of D Company, Presidio of Monterey. When asked why he chose Big Sur he said "The adrenaline rush at Hurricane Point, stopping and spitting off Bixby, seeing "Decomposer", and cresting the final hill." ■ ■ ■ "I was stopped by a volunteer at mile 18 and forced to down 2 cups of Gatorade and one cup of water because I wasn't sweating and my face was red. I

always look like that. But I was not allowed to continue until I drank the aforementioned. Then I snuck off so I wouldn't have to drink more. Love the Courroc, but every other prize winner got a bottle of wine, too. So maybe I'm not old enough (18) but that wine sure would age well in my possession (or stomach)" Michael Smith, Presidio of Monterey ■ ■ ■ When he answered the question about what he would change about our event, Philip Miskovich of Santa Paula, CA, wrote "I'd run faster." ■ ■ ■ On the same subject of changing our event, Julie Greenebaum, of Denver, wrote "finish area too squishy."

We return to the beautiful Hyatt Regency, Monterey, for race headquarters in 1993. We have blocked 300 rooms at a marathon rate of \$125, (or \$210 for 2 nights) and, if you plan to join us again, register now at 1- 800-233-1234. Mention the Marathon.

Until we meet again, hopefully no later than next year's race on April 25, Happy Feet!

**Bill Burleigh,**  
Race Director

# We Get Letters

**Occasionally someone asks why we put so much time into staging this event, and no one is paid. Probably the best answer is that our greatest compensation is the letters and comments that we receive during and after each race. Every year, after the race, we get 500-600 letters and cards from our runners. They are probably the highlight of the year for us. Here are some of them:**

"Big Sur . . . is the rare instance of an event soaring above the weight of a great reputation . . . your race was the journey indelibly stamped on my running conscience that will make training in dusty, hot Tulare very difficult this summer . . . my truest expression of gratitude can be found in the next eight words: send me an entry form for next year."

**Scott Hillman**  
Tulare, CA

"The event seems to capture the spirit of the community with a level of service combined with artistic flair—with a dash of lightheartedness—combining for truly one of America's great sporting events."

**Doug Thurston**  
Race Director, Columbus Marathon

"Here in Minneapolis, we pride ourselves on having hosted the World Series, SuperBowl, NCAA Basketball Final Four, US Open, Special Olympics and Stanley Cup Hockey Finals, all within the past year, with rave reviews from the national media. Your entire operation was as good, if not better than, any of the above events. Plus the added bonus of taking place in one of the most beautiful parts of the world."

**Louis Jungbauer**  
Lino Lakes, MN

"I always run with the turtles at the back of the pack, so I am used to aid stations that run out of Gatorade and can only offer warm water. Yet after 5 hours you still had cold drinks . . . and fresh fruit! I don't know how you did it under those primitive conditions, but your excellent performance evoked real tears of gratitude from me! Your Supply Sergeant should be given a field promotion! Other race organizers should be forced at gunpoint to learn your secrets!"

**Ken Orphrey**  
Inglewood, CA

"The dedication and commitment of your volunteers has been extraordinary all three years I have participated. Nowhere have I found a run as well organized. Nowhere have I felt as well cared for. Nowhere have I had the experience that the whole town was so fully participating event, treating me and the others as honored guests, even heroes regardless of our times!"

**Gordon Starr**  
San Francisco, CA

"This race is the best. This was my 8th marathon and I couldn't have asked for more. Great coordination, planning, volunteers, spirit, kindness, and a race that is challenging. It is a privilege to have run! If this race had a \$100 entry fee, I'd pay it!"

**Ed Storti**  
San Pedro

"It amazes me that at 53 years old, I'm just now learning how much I enjoy pain."

**Larry Thomason**  
El Toro, CA

"I've run 5 previous marathons, and this was the best. First race where I felt I was pampered and catered to . . . I felt you cared about us slow ones. Thanks!"

**Colleen Capper**  
Madison, WI

"This is the greatest marathon in the world! (And I ran from Marathon to Athens once!)"

**Maurray Burns**  
Los Angeles, CA

"The beauty of Big Sur is unbeatable, but I think the important thing is what that natural beauty does to people. Everyone I came in contact with was friendly and upbeat. The organizers and participants of the marathon are what made it special for me . . . As I approached that last hill before the finish, I was running very slowly and really hurting. But as I got close to the top of the hill, I could hear bagpipes playing. I felt this unexplainable desire to cry. Not because I was feeling terrible, but because I was happy."

**Kevin Hill**  
Claremont, CA

"I run one marathon a year. Big Sur is it. I passed up Boston. Why go when the best marathon is in California. You are treated the same if you are first or last. Great, great support. You people are a class act."

**Bruce Phinney**  
San Rafael, CA

"Despite last year's vow of 'never again', I ran again; . . . I finally broke 4 hours after 3 years of trying; also, my eleven year old son ran the 5K and loved it!"

**Sally Walters**  
Pacific Grove, CA

"I've raced in hundreds of races. Yours was the BEST. Keep the hills. First time I've sat down and wrote every sponsor a letter of gratitude and appreciation."

**Michael DiSalvo**  
San Jose, CA

"Big Sur is obviously a major secret to the running world, because if everyone knew about it, they would be there every April!!! I've run 19 marathons now, and there's only one of them as wonderful as Big Sur . . . Big Sur! Thanks to everyone!"

**Steve Noble**  
Chino, CA

"As for the banquet, I've been to about 10 marathon dinners and yours tops them all—including quality of food and downright elegant atmosphere! . . . The volunteer support along the course was about the best and most cheerful I've ever encountered—these folks truly love the event! . . . and such great humor, too. Just as a hill was about to grind me up, one of your clever signs helped me laugh my way to the top for the next spectacular view."

**Terry Blosser**  
Newark, OH

"Boston and Big Sur are the bookends of marathons . . . all others fall in between."

**James A. Coyer**  
Monterey, CA

"The best 26.2 miles I have ever had. I had so much fun, I forgot how much I hurt until I got back to Phoenix."

**Vincent Bruno**  
Phoenix, AZ

"The only complaint is that the older I get, the higher you keep raising the hills . . . your marathon is far and away the best marathon in the country."

**Dave Kuhl**  
Urbana, IL

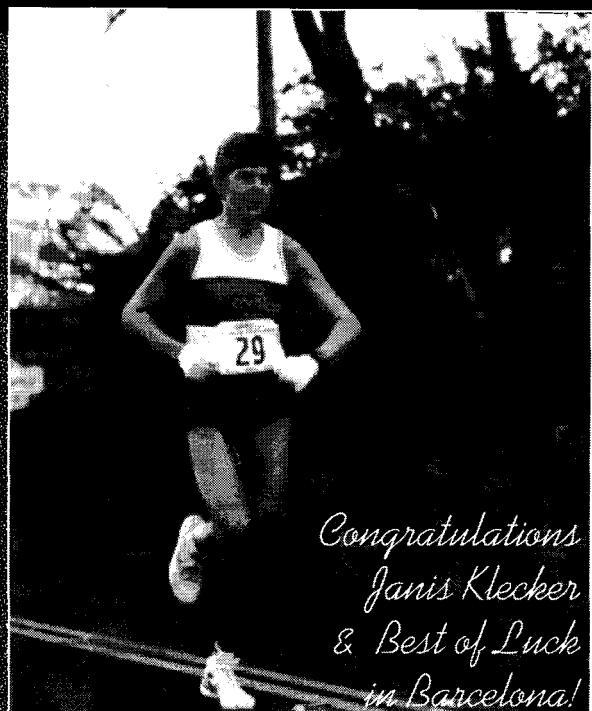

"It is an event and personal experience I won't forget."

**Daniel Pacenti**  
Pacific Grove, CA

"To run Big Sur is to enter Marathon Heaven!"

**Eddie Garrick**  
Los Angeles, CA

# ACHIEVEMENT THROUGH COMMITMENT

Commitment and the persistent pursuit of our goals lead to our greatest achievements. Those who have participated in the *California International Marathon* truly represent commitment and achievement. Not everyone breaks the tape first, yet successfully covering the 26.2 miles gives each a personal sense of victory.

One athlete that has broken the tape first, in two different *Cal International Marathons*, is former course record holder Janis Klecker. We salute Janis' courage and determination in winning the 1992 Olympic Trials and wish her the best of luck this summer in Barcelona where she will represent the U.S.A.

And after the Olympic flame has been extinguished in Barcelona, and all the medals won, come see why Janis keeps returning to the *Cal International Marathon* like hundreds of other repeat marathoners. You'll find a PR course, great weather, enthusiastic volunteers and spectators all waiting to help you turn your training commitment into your next great achievement.

# PORTLAND MARATHON

## A Family Festival!

SUNDAY,  
SEPT. 27, 1992

This is our 21st year! We are proud that with age our event has gained credibility and tremendous accolades. However, our goal remains to make everyone who participates feel like a winner.

### An Event for Everyone

You do not have to be a marathoner to enjoy the Portland Marathon because there are six other events that take place on marathon morning or during the weekend.

Our Five-Miler is an excellent event for beginning and competitive middle distance runners. The Mayor's Walk is a 10-K fun-filled experience along the last five miles of the marathon course. The Kid's Marafun is a noncompetitive two-mile event for kids 12 and younger and anyone else who wants to join them. The 26.2 mile Marathon Walk allows the walkers to share the thrill, excitement and the same perks as their running counterparts. And our sixth and seventh events are a 24-hour ultra track run and a three mile run and shoot biathlon both of which are held on Saturday.

Our other weekend events include a first-class race directors' conference, a spectacular sports and fitness expo, the best pasta party in the west, and a great post-race/awards party. In short, we offer an event for everyone in the family.

### Course and Weather

The marathon course is basically flat with three long, gradual grades. The route wanders through downtown Portland, China Town, Old Town and neighborhoods with tree-lined streets. There are plenty of dramatic views of the Cascade mountain range, our city skyline and river front.

The second half of the course can easily produce a "negative split" for our runners. An average of 33% have set PRs!

The weather is normally in the low 50s. It is the best time of year to be in Portland.

### Organization

Our event has gained its reputation for excellence through organization: 3,500 volunteers, 20 enthusiastic aid and medical stations, splits called at 35 points on the course, over 40 entertainment groups, and a finish line where every marathoner's name is announced to the thousands of spectators. All of our event participants share in a great array of food and beverages.

### Goodies and Awards

We do not spend our budget on purses for an elite few—we spend it on each entrant. Our Marathon runners and walkers receive high-quality, long-sleeved finisher's shirt, medal, poster, food and drink, long-stemmed roses for our women (who make up 29% of our race), space blankets, and a great goody bag. Our related event participants also receive shirts and an assortment of goodies.

Last year over 1,250 awards were given out. We have five-year age divisions, masters, Clydesdale, state and country competition, as well as team, race walker, wheelchair, and other special handicapped categories.

### Portland Marathon Entry \*

Please read carefully before completing form. Please print clearly. Please note deadlines for sending applications and late fees. Marathon and Marathon Walk entries (\$35) by mail must be posted on or before midnight, September 8. Late fee entry by mail September 9 through 11 for Marathon (\$50) and Marathon Walk (\$50). # 1992 Masters Age-Graded Scoring

This was the first year we adopted the Age-Graded Scoring system for the Masters Division, offering a meaningful method of determining the best master's performance. The AGS system has not been arbitrarily set up. It is based on hard data. After a three year study The World Association of Veteran Athletes (WAVA) compiled exhaustive data on the rate at which athletic performance declines with age. They established *age-graded standards for men and women, by single ages*, from 40 to 90 years. They are applicable for races from 100 meters to the marathon. These standards are updated annually. Your actual time is compared to the single-age standard to give an age-graded percentage. That percentage figure indicates how close to 100% (the potential world record for that age/event) you have performed, with 90% being world-class level, 80% national class, 70% regional class, and 60% local class. The runner with the highest percentage wins, regardless of age or sex.
