To Our Finishers

To Our Finishers,

Congratulations on behalf of the Big Sur Marathon Foundation board of directors, events committee, volunteers, staff and partners! We hope you had a beautiful experience.

This event started 34 years ago with the vision of William Burleigh to organize a race for 2,000 runners along the 26-mile stretch of Highway 1 from Big Sur to Carmel. It has blossomed to a weekend of seven different races with more than 14,000 entrants including 4,000-plus school children in the Saturday morning By-the-Bay 3K in Pacific Grove. Your support for our races allows our non-profit organization to provide more than \$300,000 in grants to more than 80 other area non-profit health, fitness, and community organizations.

We hear from so many marathoners how running this race has been on their "bucket list" for years. We take so much pride in presenting this race for you. We smile when we see folks lined up to take a photo at the big, colorful Big Sur Marathon banner in front of the Monterey Conference Center. We beam with pride when we see so many of you shopping for a keepsake shirt or other memento at the Health & Fitness Expo. And we laughed alongside you at National Public Radio personality Peter Sagal's standing-room-only presentation the day before the race. And we saw you taking mental notes as you heard important last-minute tips and advice from other clinicians including Gary Dudney, Fitz Koehler, local Olympians, and race veterans. We enjoyed watching you meet new friends at the pasta party or various meet-ups and special events.

Our Mission:
The Big Sur Marathon Foundation creates beautiful running events that promote health and benefit our community

We saw you, perhaps a bit sleepy but also very excited, early race morning. We watched you marvel when you realized that the dreaded head wind, for once, didn't present itself race day. Instead, you enjoyed ideal conditions with mild temperatures and, for once, even a mild tailwind!

We played music for you, handed you a cup of Gatorade or water, or shouted encouragement as you charged up or down yet another hill. We celebrated your accomplishment by presenting you with a unique finisher medallion and toasted you with a cold beer and chocolate milk as well as a warm cup of soup. And we enjoyed hearing you recount your race with friends and family.

None of this would be possible without the efforts of more than 2,400 volunteers from over 80 community non-profit groups, directed by our 100-strong events committee. In addition, we are grateful for the support of Marines from the Defense Language Institute Foreign Language Center at the Presidio of Monterey, Cal Fire, the California Highway Patrol, the Monterey County Sheriff's Department, California State Parks, and our many other public safety and permitting partners. Thanks to everyone for their help!

Many runners have asked about registering for next year's race either for themselves or because they have convinced their family and friends to join them. Full details about 2020 registration for all distances is on page 6. We anticipate, once again, strong demand and quick sell-outs for all races.

Again, congratulations!

2019 Race Review

For the first time in seven years, the male champion of the Big Sur International Marathon is not Adam Roach or Michael Wardian. As the 34th presentation of the Big Sur International Marathon began on Sunday morning, 27-year-old Jordan Trof from Silver Springs, MD made a clear break from his competition and maintained a healthy lead for the 26.2-mile journey from Big Sur to Carmel. Trof, a Navy doctor, set a personal best and took the top podium spot in a brisk 2:25:21, beating out five-time BSIM champion Adam Roach, 35, by roughly seven minutes. Trof was also a participant in the marathon's Boston 2 Big Sur Challenge.

The burning question on the course race day was "Who is this guy?"

"This race has been on my bucket list for a while now, and it really is as beautiful as they say it is," said Trof. "When it got hard, I would look out at the water and feed off the support of the runners from the shorter distances cheering me on."

The women's race followed a similar storyline as D'Ann Arthur, a 31-year-old orthopedic surgery resident from Redondo Beach, CA took the top women's spot in 2:48:39, finishing with an eight-minute lead over 41-year-old Tyler Stewart.

Arthur, who attended a friend's wedding on the Peninsula the night before the race, slept for only three hours before attempting her first Big Sur Marathon.

"I set out to run my own race and enjoy the incredible scenery – you just look out and think 'wow!'" recalled Arthur. "It was a great course and I loved every minute, but the climbs made it way tougher than any other marathon I've run."

Runners were met with overcast skies and temperatures in the low 60s as over 8,000 participants set out along California's scenic Highway 1. Over 400 runners completed the marathon as part of the Boston 2 Big Sur Challenge, in which runners are ranked by combined times of both events.

What We Learned From Your Post-Race Survey

Nearly 1,400 finishers completed the post-race survey. Your rankings, comments, and details about what you did, bought, visited, where you stayed, how many were in your traveling party, etc., are very valuable and help us improve and market our event.

We read through the thousands of individual comments as they provide great insight into the things that you enjoyed race weekend and the areas where you think we need to improve. We look at what is realistic and actionable for our event and what may not fit with our resources, facilities, budget, or event mission.

This year, we put extra emphasis on providing more information about what to expect race weekend. This includes explaining why our expo has fewer exhibitors than some others, why the buses leave so early race day, why we can only fit so many portable toilets in the start village, and that there is little to no cell phone coverage on the course and at the finish village, making runner tracking and connecting with friends and family a challenge. We continue to work toward solutions to these and other common issues.

Here are five areas most mentioned as having room for improvement and a few of our comments:

- Participant shirt fit and making sure we have enough for every runner: we are already at work with our partners to improve this important item for next year.
- More porta-potties and/or better line management at the various start villages: a constant comment but we will continue to look at creative ways to lay out our start areas to allow better runner flow (no pun intended!) and a better pre-race experience.
- Better warm-up area at the Marathon start: we will work with our start and public safety teams to try to allow a pre-race warm-up area while keeping folks safe alongside busy Highway 1 early race morning and allow an for an efficient, on-time start to each wave.
- The Expo was too small with not enough variety of vendors: expos at races around the country are going through an interesting transition and ours is no exception. Vendors are more hesitant to commit the resources to attend. The newly-renovated Monterey Conference Center is beautiful but it is not as large a facility compared to what is available to other marathons. Still, we are looking at creative ways to improve your weekend experience.
- The wait at the start village is too long: this is a tough one for us to improve upon as we must get

160-plus buses to six different starting lines (including relay exchange areas) then off of Highway 1 before any race begins. Early mornings are just a fact of our environment. Still, we will work at finding ways to allow a better experience while waiting for the race to begin.

Of course, we received many positive comments. The areas where you were most complimentary were:

- Course support, volunteers, entertainment, and aid stations
- Overall event organization and weekend experience
- Course scenery
- Efficient packet pick-up and Expo experience
- Detailed pre-race communications including the area-by-area instructions

We work year-round at improving our events and we always welcome your comments and suggestions. Please drop me a note or give me a call at doug@bsim.org, (831) 625-6226.

"Everything was amazing. You honor the natural beauty of the course and make everyone feel welcome. We flew in from NYC and had a great experience. I am sure we spent over \$5,000 while on the trip and it was worth every penny. It has been on our bucket list and my wife and I ran it for many different personal reasons, and in honor of our 50th birthdays. The memories will last a lifetime. We look forward to a return trip."

A Special Congratulations

We would like to honor and congratulate our "Grizzled Vets," who have run all 34 Big Sur Marathons!

"The course was absolutely stunning. I enjoyed the challenging hills as well as the AMAZING volunteers. I also liked the pace groups--the pacers in the 4:45 and the 5:00 groups were very friendly and fun to run with. The expo was quick and easy to get everything you needed. I'm so glad two of the aid stations had the GU energy gels because I think they helped me get to the finish line. Overall, well done, phenomenal experience!"

"This was my first time participating in the Big Sur race. I ran the 11 miler. The bus service went well and I was on one of the first buses to arrive at the 11 miler start area. It was wonderful to see a great spread of food available and coffee, and fresh fruit. So thank you! Overall it was an amazing race with beautiful views. Thank you for such a wonderful experience!"

"Course was great and breathtaking. Volunteers, entertainment, and refueling were more than expected! Finish Line commentators calling our names were uplifting! Finish Village was awesome! I loved that merchandise tent, minestrone soup, and the leg squeeze recovery from HOKA One One. After completing the 11-miler, I now would have loved to do the full marathon or 21-miler option. Thank you for a wonderful destination run experience."

The 12K

The Relay

The Open Mixed category dominated the 2019 field with 106 teams finishing, followed by 49 Open Female teams, 16 Masters Mixed, 10 Corporate Mixed and 10 Open Male team.

Registration for the 2020 Relay will open on September 3, 2019, at 9 AM PDT, on a first-come, first-served basis. There will be 200 4-person team slots available.

"I was absolutely in love with the course. So much so that after I ran my leg of the relay, I kept going! I did 16 miles and loved it. Will definitely be back next year. The volunteers were super nice, the aid stations were amazing, loved all the snacks. I would also say that the packet process was very easy. LOVED IT!"

3K Schools' Competition

On Saturday, April 27, over 4,400 participated in the By-the-Bay 3K, most of them Monterey County school children, along with friends and families. The 3K fun run is one of several goal races of the **JUST RUN**® youth fitness program, designed to combat childhood obesity and promote healthy lifestyle choices. Forty-two Monterey County schools took part in the annual event. The 3K Schools' Competition is sponsored by the Big Sur Marathon Foundation and this year \$17,900 was awarded to 30 schools.

The **JUST RUN** program, now in its 17th year, is a free, website-based program open to schools and youth organizations around the country. Offering incentives, numerous benefits, and a wealth of information, JUST RUN is an easy to implement, turnkey, and fun program.

In the 2018 - 2019 school year, over 22,500 children, ages 5-12, ran a cumulative 590,000 miles and performed a record 52,540 Just Deeds (as of press time).

Final Notes...and Moments to Remember

Race organizers would like to thank all runners and walkers for choosing one of our 2019 events. Our greatest reward is watching you cross the finish line with a smile of pride and accomplishment on your face. In addition to the medallion you took home after the race, we hope you also came away with wonderful memories to last a lifetime. We hope you'll join us again on April 26, 2020.
